

## **AMIT HASAN**

### **OFFICER**

Department of Engineering

C.P. Bangladesh Co., Ltd.

B.Sc.(Engineering) in EEE (NWU,KHULNA)

Diploma (Engineering) IPCT (KPI, KHULNA)

E-mail: [amithasan930@gmail.com](mailto:amithasan930@gmail.com)

Contact No: +8801776906675

### **>>About Me**

Motivated to effort confidently, dutifully and unfailingly under a friendly and co-operative Education and Research sector where I can apply my professional knowledge and gain further involvement through maintaining honesty and punctuality to ensure the benefits of students and to apply my strong research, writing & presentation skills while enhancing that institution's productivity and reputation.

### **>>RESEARCH INTERESTS**

- (1) Embedded System
- (2) IC Design
- (3) Nano Materials.
- (4) Digital and Analog Electronics.

### **>> PROJECT AND INTERNSHIP**

**[1] GSM based gas leakage detection system** , The main function of this module is to detect changes in gas concentration . If the sensor detects any change in gas concentration , this module activities an audio-visual alarm and transmits a signal to the receiver module.

#### **Internship**

- (i) Electrical Troubleshooting & Maintenance.
- (ii) Programable logic controlling system (PLC).

## >>EDUCATION

<b>B. Sc. (Engineering)-2021 (3.11)</b>	<b>Department of Electrical and Electronics Engineering</b>	<b>North Western University, Khulna.</b>
<b>Diploma (Engineering) -2016 (3.53)</b>	<b>Instrumentation and process control technology (IPCT)</b>	<b>Bangladesh Technical Education Board(BTEB), Dhaka</b>
<b>S.S.C-2012 (3.56)</b>	<b>Business Studies</b>	<b>Jashore, Board</b>

## >>PROFESSIONAL EXPERIENCES (6 Years 6 Month Engineering Experience)

<b>30 July -2019 to Continue</b>	<b>Officer at Engineering</b>	<b>C.P. Bangladesh Co., Ltd.</b>
<b>15<sup>th</sup> August -2017 to 30 July- 2019</b>	<b>Officer (Engineering Department)</b>	<b>C.P. Bangladesh Co., Ltd.</b>

## >>CERTIFICATIONS:

- 1. Diploma in Computer & Programming**
- 2. Machine Shop Practice Operation (MPO)**
- 3. Refrigeration and Air Conditioning (RAC)**
